Match Report:

The most pleasing aspect to this game was our application to the game plan, and each player executed their role to the letter.

This game was truly a team effort and places us in a good position for upcoming matches if we can replicate our performance on June 11.

Craig Partridge was outstanding with his first game back. Aidan, Jacob, Sione, Mitchell & Jack played well and provided many options for us in offence. Also their defence was outstanding. Cameron, Nelson & Daniel were also strong, along with Jarrad, Junior, Dave our front rowers.

A special mention to Shayden Greenwood. He has become one of our most consistent performers this year and has a big future. His preparation and attitude is second to none. Unfortunately he hurt himself on Saturday night. All the best for a speedy recovery.

The only negative was in the last 10 minutes. Our right hand defence were caught out. This is not a major issue and can be rectified this week at training.

The coaching staff are proud of the effort. All the boys are a pleasure to coach (when they stop talking)! We will build from here and ensure we are focused at our training on Tuesday and Thursday.
