## Match Report:

A big well done to these boys for their first win of the season and what a game it was. Brothers scored their first 2 tries in the first 8 minutes but our boys weren't giving up. With Logan making a massive run on his first touch found the try line and then Darius backed it up by busting through the defence for another try. Blade and Joshua kicked for conversion and cleared that cross bar with room to spare. Brothers ran in another try just before half time to make it 12 all. In the second half the first 10 minutes were tight between both teams. But in the last 5 minutes with Jack and Logan doing their block it gave Logan the chance to run just about the length of the field to score another try. Well done to Declan Watson for kicking his first conversion to make it 18-12. The boys were determined to keep this lead until the final siren.

Riley Warburton played a brilliant game in defence and it was nice to see Zac this week step it up in defence and got in there and tackled. Blade, Josh, Logan and Jacob also played well in defence. But all in all they all stepped up this week and got out there played their best and it has shown them hard work and determination got them a win and they are hungry for more.

A big thankyou to Benjamin Byrnes for the Under 8's Div 4 for stepping up and filling in for the first half of our game. He also played a good game and stepped up well in full back.
